

# Opportunities for Naming Rights

Pilot Dogs, Inc. invites you and your family, company or organization to be part of our exciting future development in the form of a new kennel facility.

We are grateful for each gift we receive and look for the best possible ways to recognize the generosity of our supporters.

With this new building we have many opportunities to publicly, permanently recognize the commitment of our donors. Those giving \$2,000 or more will have the opportunity to name a designated room or area, and those giving \$500 to \$1,999 will be including on a prominently displayed donor wall.

Please see the adjacent list of recognition opportunities.
